

Carburos Metálicos / Air Products is looking for young talents

Carburos Metálicos / Air Products (NYSE:APD) serves customers in technology, energy, healthcare and industrial markets worldwide with a unique portfolio of products, services and solutions, providing atmospheric gases, process and specialty gases, performance materials and chemical intermediates. The company is the largest global supplier of electronic materials, hydrogen, helium and select performance

chemicals. Founded in 1940, Air Products is recognized for its innovative culture, operational excellence and commitment to safety and the environment. With annual revenues of \$8,1 billion and operations in 30 countries, the company's 20.000 employees build lasting relationships with their customers and communities based on understanding, integrity and passion.

In order to achieve our goals, within our local and international businesses, we are investing in

young graduates wishing to develop their careers

The European Career Development Programme is designed to give you experience in a variety of areas by incorporating three eight-month assignments in your first two years. Career paths include marketing, sales, customer engineering, R&D, finance, IT, procurement and manufacturing. As a CDP you will gain a broad range of experience and in-depth knowledge of the company—a sound foundation on which to build a successful career.

You should have an **IT degree**. On the one hand you should possess superior analytical abilities in a business context. On the other, you should know and understand the requirements and business processes of internal clients. As part of a team, you must also be able to design viable technical solutions that fulfil stated requirements. You should be highly proficient in spoken and

written English and be willing to travel and to live in Europe.

Within Carburos Metálicos / Air Products we believe that the key to future success depends on our ability to attract and recruit individuals within an environment that encourages growth and development. As an employer, our commitment to our core values has established a culture in which our employees feel challenged and valued.

Please address your application with CV (Spanish-English) - Deadline 18/04/2006 indicating the reference (ref. CDP) to the e-mail address: coll.c@carburos.com
